HOTEL PRINCIPE DI SAVOIA PARTNERS WITH CULTI MILANO TO LAUNCH AN EXCLUSIVE HOTEL SCENT

HOTEL PRINCIPE DI SAVOIA LAUNCHES A SUMMER & WINTER SCENT WITH CULTI MILANO

Milan, September, 2023 – Dorchester Collection's Hotel Principe di Savoia, is the first hotel to be a part of the new professional division of CULTI MILANO named CULTI MILANO OWN. This exclusive partnership has resulted in the creation of two bespoke scents: 'summer in Milan' and 'winter in Milan,' meticulously curated to embody the essence of the hotel.

The summer scent's top notes are floral, with citrus accents, including grapefruit, lily of the valley and violet. The heart notes are dictated by more powerful scents that reveal the fragrance's floral and musky identity, featuring peach, patchouli and jasmine. The base notes leave a lasting impression on the perfume's

personality, combining elements of musk and wood, blending tree moss, myrrh and white musk. The summer fragrance will be available from May-September.

The winter scent's top notes are Calabrian bergamot, Russian coriander, cinnamon from Sri Lanka, bitter orange Argentina. The heart notes consist of opopanax, precious wood, sandalwood from Australia, guaiac wood from Paraguay, patchouli from Indonesia and Texas cedarwood. The base notes opt for something lighter with white musk, oak moss and vanilla from Madagascar. The winter fragrance will be available from October-April.

The new fragrances are available for exclusive purchase at the hotel and will soon be available on the hotel's [e-shop](#). The diffusers will be available in 250ml and 1000ml.
