DIOR EXCEPTIONAL FACIAL

L'OR DE VIE MIRACLE FACE – 90 min

In tandem with the L'Or de Vie line, this antioxidant treatment gifts the skin with the infinite longevity of the Yquem sap. Like a prelude to plenitude, it opens with a relaxing sequence of rythmic motions for the back that extends to the face to relax microtensions. The combination of Dior rock crystal with these enveloping movements gives the skin a sensation of harmony and a spectacular visible transformation. To enhance the end of the treatment, a thermo warming mask imbues the skin with its precious active ingredients. Step by step, the skin gains strength and resistance, while the face radiates with a divine glow.

DIOR PRESTIGE HAUTE PRÉCISION FACE – 60 min

Inspired by the world of fitness, this high-precision modelling resculpts the facial contours of the face and visibly tones the skin. It combines a global modelling of the face with a targeted modelling of the facial contours, the lips and the eye contour. On every area, the rose quartz multiplies the benefits of deep kneading and smoothing gestures, eliminating tension, reinforcing muscle support and stimulating cell regeneration. Facial contours are enhanced, lips are plumped, the eyes open up and the face is illuminated with a new radiance.

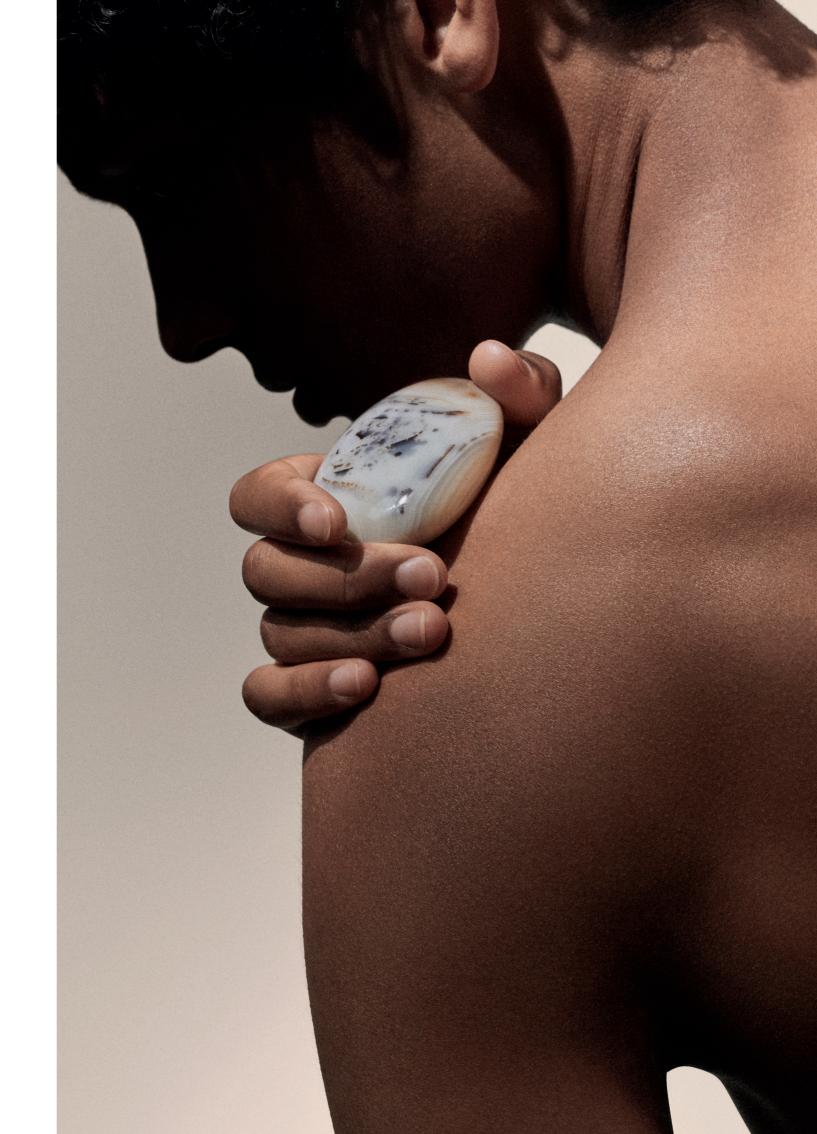

DIOR BODY MASSAGE

NEW LOOK BODY – 60 min

The silhouette is reshaped by this slimming and firming massage that combines precise motions and state-of-the-art manual techniques. These draining gestures are associated with rolling, as well as the 'Skin Lift' method, allowing a deep and exceptional anti-cellulite action.

CONSTELLATION BODY – 90 min

A deep relaxation and an absolute letting go. This is the promise of this multi-sensory journey. A holistic massage combined with slow and enveloping gestures over the whole body aims to release muscular tensions one by one. Intensely relaxed, the body becomes the setting for a newfound inner peace.
