## Notes to the editor

### **THE BEVERLY HILLS HOTEL**

For over a century The Beverly Hills Hotel has been the chosen place for Hollywood's brightest lights. She greets you like a movie star from the moment you step onto the red carpet and enter the grand lobby. Fondly nicknamed the 'Pink Palace', the hotel's 12-acre gardens and famous pool offer an experience that shimmers with history and glamour. Spacious suites pay homage to the legacy, while bungalows offer the true Hollywood experience inspired by their famous guests.

No restaurant conjures the magic of Hollywood quite like the Polo Lounge. This sought-after spot has long been the favourite of LA stars and deal-makers. For casual dining, discover the Fountain Coffee Room or relax poolside at The Cabana Cafe. For other memorable moments, indulge at the newly restored spa inspired by the flora and fauna of California.
